

Let's just hope your cooking is as jaw-dropping as your splashback.

Introducing Cooling Brothers ImageINK™ Splashbacks. Printed directly onto glass in full colour, specialised ceramic inks produce a fade-proof image on a seamless glass canvas. Suitable for the kitchen, the bathroom, or even an alfresco dining area, the options for what you can have printed on glass are now truly limitless.

For a free brochure outlining our full range of patterns and colours available for splashbacks, email [imagink@coolingbros.com.au](mailto:imagink@coolingbros.com.au)

To find out more about what can be achieved with ImageINK™, call us on 6104 1777 or visit our showroom at 961 Abernethy Road, Perth, 6057.
